

Group Discussion Notes for “God’s Heart For The World”

1. If you could look at 3 things in a person’s life to try to decide what was important to them, what would you look at?
2. What surprises you about the story of Jonah, and what comforts you?
3. This week’s sermon says that God cares about 4 things. What are they? Are you surprised by these 4 things, and how closely do your own interests and priorities line up with these 4 things?
4. What can we DO in our lives to line up with these 4 important things, and how can we pray for these things?
5. What do you feel you need to change this week in response to this message?
6. Pray for each person in the group based on their requests and needs. Also pray for our hearts to be moved by the same things that move God’s heart.
