

When the Going Gets Tough - Understand the Cost

Why should I expect following Jesus to be costly?

Just for fun: What do you do when someone says something you do not want to hear?

Read Mark 8:27-38

When the Going Gets Tough - Remember WHO You Are Following (Mark 8:27-30)

1. People can get lured into following the wrong voice. Jesus asked, "Who do you say that I am?" What answers had been given up to this point in His ministry... and considering those responses, who shouldn't we be looking to follow?

Look up:	Mark 3:21-22	not someone who...
	" 4:41	not just because someone does...
	" 6:3	not a mere...
	" 6:14-15	not...

2. Discuss how Christians can get caught up in following "the wrong voice(s)" instead of Christ? (share from personal experiences if you can)

When The Going Gets Tough - Remember Christ's Example

Suffering or Overcoming (Read Mark 8:31)

Jesus said He must suffer "many things and be _____ ... and that He must be _____ and after three days _____."

1. In what ways do we/you share in Christ's sufferings today because of our/your commitment to Jesus? (among family, at work, acquaintances, etc.)
2. How do you think Jesus' *knowledge of His resurrection* affected His commitment and ability to endure the suffering that preceded it?

Do you think most of us probably focus more on our "sufferings" rather than our "ultimate victory" (heaven)? If so, is that wrong?

How might focusing on our victory affect our perspective when we suffer because of our commitment to Christ? (Can the weight of any suffering we might experience because of our commitment to Christ even come close to the glory that awaits us in the resurrected life?)

Commitment or Compromise (Read 8:32-33)

1. What are the chances that Christ was resisting Satan's temptation *to compromise doing the Father's will* when He rebuked Peter? Do you think this statement was addressed to Satan and/or Peter?

2. From personal experience, can you share a time when you were tempted to compromise what you knew was God's will for your life?

Presently, are any of us facing a temptation to compromise doing what we know to be God's will . . . something that we might pray about?

When the Going Gets Tough - Say No to Self and Yes to God (Mark 8:34-38)

1. What do you stand to lose by following Christ? What do you stand to gain?

2. Discuss how missionaries have had to apply today's lesson to their lives.

How might that have affected Simon?

Put yourself in Simon's sandals; how might you have felt?

2. Did Jesus have to die on the cross?

3. Why do you think Jesus may have refused to dull His senses as He paid the price for our salvation?

4. How do you think Jesus felt as He saw prophecy being fulfilled before His very eyes? (see Isaiah 53:12)

Jesus Endured Insults (reread 15:25-32)

1. Identify those who mocked Jesus at the site of His crucifixion? How did they mock Him? (see also Luke 23:39-43)

Share an occasion when you were insulted or ridiculed because of your following Christ?
How did you feel?

2. What can we learn from Jesus' refusal to exercise His power in the face of such vicious insults and hostility?

Jesus experienced Forsakenness (reread 15:33-34)

1. Describe in your own words what was happening at this moment.. the darkness, Jesus' emotions, what people were thinking... etc..
2. There are many people who have experienced painful abandonment in life. How can Jesus relate... what does this mean for believers (and unbelievers) today?

Jesus Showed He is God's Son (reread 15:37-39)

1. What do you think God's action of tearing the temple veil in two from top to bottom meant?

How should this affect our view of prayer, the role of the temple and the sacrificial system, our relationship with God?

Evaluate Your Commitment / Surrender That Which Stands in the Way (Reread 10:17-26)

1. How does the man's question (v.17) compare with what Jesus had just taught about the kingdom(v.15)?

What was his *assumption* about how one gains the kingdom?

What is Jesus trying to *drive home* by responding to the way the man addressed Him? (v.18)

2. Jesus quizzes the man on only a partial list of the Ten Commandments (see Exodus 20). How well might the man have obeyed the ones relating directly to God?
3. Why does Jesus command the man as He does (v. 21; see also 8:34)?

What does his response reveal which had been hidden by his good works? (v. 20)

4. On what basis is it possible for anyone to receive the kingdom? (see Eph. 2:8-9)
5. What kind of person might the rich young ruler be if he lived in our world today?

Trust God / Count on His Promised Inheritance Both Now and Eternally (10:27-31)

1. By choosing his wealth over a relationship with Jesus, what was the rich man gaining? What was he losing?

2. Jesus “looked at him and loved him” and invited the man to follow him. Have you ever had to choose between material comforts and Christ’s love? If so when?

3. Are you more like the rich young man or the children (vv.13-16) in terms of the way you approach God? Why?

4. How is the promise (vv. 29-30) to come true for believers?

How have you experienced the gift of the kingdom as described in these verses?

Just for fun: If you could take 2 things with you to heaven, what would they be?

READ: Mark 13:3-13: 32-37

1. What events are listed that tell of the end times?
